SKI PROGRAM - Grades 1, 2 and 3

Ski dates for all Horace Allen Students are: **Wednesdays Jan 25, Feb 1, 8, & 15, 2012.**

All students are required to take lessons. The ski program is part of our Physical Education Program.

Fees do not need to be paid until **Friday, January 20th**, however, we need the permission slip back (bottom portion) by **Friday, December 16th 2011.** In order for the ski hill to accommodate both ISS and HAS, they need to know approximately how many children will be participating in the ski program. Your cooperation is greatly appreciated.

N.B. If your child is renting ski equipment, he or she must be fitted prior to the first ski day. Students will be **sized for proper boot fit and skis by the ski hill personnel, date TBA. Helmets are mandatory.** If you do not have one for your child, one must be rented from the ski hill for \$2.50 per session (NO bicycle helmets). Please mark it as one of your selections. Helmets are included with the rental package.

Transportation

Students will be bused to and from the Powderkeg on school busses.

Equipment - Please do not send skis and poles on school buses. Equipment is taken by truck. You can leave them at the school anytime after 7:30 a.m. They can be picked up as skiers return. It is imperative that equipment be labeled with the student's name.
